Merry Christmas

From the President's Saddlebag

Thanks to everyone over the last year that has helped to make our club continue to be successful. Over the next several months there will be a lot going on, so check with the new officers and see what you can do to help. I am looking forward to seeing all of you at the Christmas party, it will be a good time for all. Thanks again for your support this year, and I hope to see you all next riding season. ~ Perry

TRAILER STICKER DISCUSSION

Wendy Coome from TVBCH presented information about a User tag for horse trailers for a livestock recreation fund that would only be allocated for equine activities.

The Idaho Department of Parks and Recreation is divided into six regions. The amendment of the bill would create an Advisory Board (appointed by Idaho Horse Council) to determine who would be the recipients for grants for equine projects, examples such as trail projects, building and improving trails and equestrian opportunities on Idaho Public lands.

Wendy is asking BCHI chapters to support the proposal. Cost would be \$15.00 per sticker per trailer. This bill is supported by the Idaho Parks and Rec Dept and the Idaho Recreational Council.

At this time BCHI supports the concept of the trailer stamp and has requested each chapter to discuss it and get back to the State BoD at the March 13, 2010 meeting with their yea or nay vote.

PBCH will begin discussions at the January 17, 2010 meeting. Details of this Legislature is on pages 7-10.

EVENTS COMMITTEE

Jim Kimball is the chairperson of this committee. Beginning in January, the committee will meet to discuss, plan and set dates for our 2010 events.

Currently it is planned to put on training courses for compass, map and GPS reading in January, February and March. Dates and times will be advertised for the public and the fee will be membership into PBCH.

If you have any particular events or rides you would like to see, or would like to be on the committee, contact Jim at 208-772-2434 or jandkimball@roadrunner.com.

PANHANDLE BACK COUNTRY HORSEMEN GENERAL MEETING – NOVEMBER 21, 2009 MINUTES

Pres Perry Saathoff called the meeting to order at 7:30 pm.

Guests: new members Bill Clark and Kay Bradley

Minutes were approved as read.

TREASURES REPORT – Bills to be paid were: \$537.00 to Karen Kimball for per diem for Nov State Directors meeting; \$497.00 to Sharon Bruce for per diem for Nov State Directors meeting; \$110.97 to Debbie Samovar for newsletter, membership forms, Life Flight applications, stamps and refreshments; \$18.29 to Sharon Bruce for awards. Bob Williams made a motion to pay the bills, seconded by Joyce Bissell, motion passed. Sharon Bruce also reported that she would be writing checks to the State in the amounts of \$4000.00 for the 2010 Calendars and \$1745.00 for 2009 State membership dues. Also we received \$1061.00 from the Forest Service for our work at Red Ives.

GUEST SPEAKER - Andy Boggs of the FS talked about how he is applying for a \$50,000 grant for work on the Choco Trail #14 in 2011 to connect lookout stations. There will be fund matching from the Park & Recs Trail Program and from the State. The Spokane Mountaineers have committed to \$2000 worth of work, the Mt Bikers to \$300. The plan is to claw, de-compact, seed and mulch, with PBCH hauling in bales of straw. A confirmation letter and a letter of support from us need to be in by mid Dec. Trail work will be done on a cost share basis, with agreement on trails to be worked on and a cost cap covering the # of animals, lunch and mileage. Marie Cree, CDA River/Clark Fork #20, Deer Creek #448 and White Tail Peak/Alder Creek #52 are the trails being looked at.

CHRISTMAS PARTY – Angela Parsons reported that things are coming along, just need to finalize table settings.

FIFE FLIGHT - Debbie Samovar reported that there have been changes to the program. Life Flight has reorganized and is a member of the Association of Air Medical Membership Program. Due to this reorganization, costs are now \$35/household and this rate can only be obtained if you are a member of one of their recognized group Organization. Formerly we were recognized under BCHI, now PBCH is a recognized group. Memberships are now handled by the applying individual. You will now fill out and sign the Life Flight application and mail it with your payment directly to Life Flight. Your subscription period will go in effect 4 business days from the receipt of the application and is good for 1 year. Subsequent renewals will be directly from Life Flight. Coverage area is comprised of WA, OR, WY, CA north of Santa Barbara, northern NV, and ID except east of I-15.

HEALTH CERTIFICATES – It's time to fill them out again and send them to the state. Please note on them for both State and out-of-state, where you went. This information helps the state track where horses travel to.

CALENDARS – PBCH committed to selling and received 200 calendars of which we are going to pay the state \$4000.00. From that \$4000.00 we will get \$400.00. There are currently 91 calendars left to sell. It is very important that we get these sold. Remember, this make great Christmas presents, plus you get 11 chances to win one of the \$500 monthly prizes and the Grand Prize of \$6000 in a Cabela's Gift Card, \$6000 in fencing from Lucky Acers Fencing or 50/50 split of the two.

PBCH MEMBERSHIP – It's time to renew. The new application is now out and each member (except children under 18) needs to sign the Liability Waiver that is on the back.

PHOTOS – Karen Kimball wants to contact Bernie Lionberger about making copies of club photos he has for our scrapbooks. It was suggested that he burn the photos to CD's or Flash Drive and Debbie Samovar volunteered to keep and update the scrapbooks.

TRAINING – Jim Kimball wants to put on 3 training sessions – map, compass and GPS. These would be free to members and would take place prior to our regularly scheduled meetings. Jim will chair the Events committee with Al Linscott, Bob Williams, Gene Bruce and Alan Harper helping with the details. We will also do outside advertising to get new members.

CONVENTION/STATE BOARD OF DIRECTORS MEETING – Karen Kimball reported that Twin Rivers will not be putting on the Outdoor Show any more. This will now be run by the Lewiston Chamber of Commerce and will include all outdoor activities from archery to water rafting. Twin Rivers will primarily be handling food. The plan is to hold it outdoors at Hells Gate in 2011.

The insurance company that provides coverage for the State and chapters has strongly stressed that events be members only and now wants each member to sign a Liability Waiver. It was suggested that we have people pay dues instead of a fee for things like pack clinics and fun rides, and to promote the benefits of membership with things like Life Flight and getting our newsletter. Our two public events will a Pack Clinic May 1st and a Steak Ride Oct 2nd. We can put on additional public events at a cost of \$45-\$65.

There was discussion about Communications, such as SPOT Locators, where you can program updates to go to someone's computer: VHF channel frequency radios using the EMT frequency, which you need to get permission and the Personal Location Beacon, such as pilots use that send out a call for Search & Rescue. It was suggested that maybe the club should check out the SPOT Locators.

BCHMT sent out a CD on "Who Are We" and BCHI is going to make their own version.

There was a speaker on getting some legislature passed on Trailer Stickers. This is just like the Special Use Stickers on snowmobiles and boats, put applied to horse trailers. Details of the proposal will be in the newsletter with discussions on the subject to begin in January, with club vote to be given at the March State BoD meeting.

Calendar – Sales are going slow statewide. There were lots of complaints on the photos. It was voted to go ahead with a 2011 calendar and photos for it are due May 1, 2010. Mark Bogar, Karen Kimball and Debbie Samovar will get together to discuss criteria for the photos.

Lite House Grant still has \$1800 available for trail improvements and is open to all the northern chapters of which we can get up to \$500. It was suggested we get the "Who yields to Who" signs and put up on all the trail heads.

Proposal for a week long packing clinic in 2011 in southern ID passed. Proposal to reimburse clubs up to \$250 for trail projects

(Continued on page 3)

Additionally they'll have a chance to win one of the 11 \$500 monthly prizes and the Grand Prize of \$6000 in a Cabela's Gift Card, \$6000 in fencing from Lucky Acers Fencing or 50/50 split of the two.

So—Sell those Calendars!!

COUNTRY CARE PROGRAM ENDS

Pets United sincerely wishes you and your organization continued success. All questions and concerns can be directed to 1-800-637-6721 or email customer care@country supply.com.

Bob Williams reported that Bob Gish, president of BCHWA, meet with F&G at Shadow Valley near Newport where they have picked up 4,000 acres and they would like for the BCH to put in some horse trails.

Respectfully Submitted, Deborah Samovar, Secretary

NEW MEMBERSHIP APPLICATIONS

One of the topics at the November State BoD meeting was the Liability Waiver. This waiver is at the request of the Insurance provider, in addition to advice from Legal Council. BCHI encourages each chapter to have annual membership renewals and new members read and sign the liability waiver when they renew/join a BCH chapter.

Discussion regarding guests on BCHI chapter rides: rides that have guest riders are considered public events and require liability insurance certificates. So as not to have to pay the additional event fees (\$45—\$60), chapters should encourage the guest(s) to join the chapter on the day of the ride. The BCHI membership has numerous benefits, LifeFlight, Broomtales and BCHA newsletters.

You will find the new PBCH application with the Liability Waiver on pages 4 and 5. Please print off both sides. Fill in all of your name, address info on the front side, and have each adult (18+) sign the back side and send it in with your dues.

NEW LIFE FLIGHT PROGRAM & APPLICATION

The merger of a number of life flight programs under the Air Medical Membership Programs (AAMMP) means there is now a broader base of coverage for members. For instance, in the Boise area both St. Al's Life Flight and Air St. Luke's are members of the AAMMP. If you are a member of an AAMMP transport program, any of the other members will honor that membership resulting in no out-of-pocket costs to you.

In addition to St. Al's and St. Luke's, Cal Star in Hayward, CA, Enlow Flight Care in Chico, CA, Care Flight in Reno, NV, AirLink Critical Care Transport in Bend, OR, Life Flight Network in Portland, OR, Airlift Northwest in Seattle, WA, Northwest MedStar in Spokane, WA, and Wyoming Life Flight in Casper, WY are members of the AAMMP. Attached is a map showing the area covered by the AAMMP. Note that Montana, Eastern Idaho, Utah and Colorado are NOT covered.

Life Flight has been offering group rates since 1995 and over those 14 years there have been no fee increases. However, after careful review of the Life Flight Membership Group structure, we have come to the conclusion that we need to make changes to our renewals for group membership program and renewal fees. There have been many enhancements to the Life Flight Program over the past decade, which directly relate to the need to increase our rates.

Currently you are paying a group fee of \$550 dollars for every 100 individuals in your group, equaling \$5.50 per person. With this new fee structure, Life Flight will maintain the management of your group membership and every member within your group will be given the special reduced group rate of \$35 (new memberships are \$65 per individual/family or group discounts of \$45). The definition of family includes any dependent under the age of 23 whom you claim on your income tax returns.

The key to getting the special group reduced rate is being a member of a Back Country Horsemen chapter and getting and application form once membership dues are paid. As new members are added, they will merely complete the form and send in with payment. Applications can be picked up at meetings or mailed/e-mailed to you.

The current coverage period is March 1, 2009 to February 28, 2010. If members joined mid-year, their coverage began when they joined but expires on February 28. With the new program, individuals and families will be working directly with Life Flight and the period of coverage will be for a whole year no matter when a person joins.

STATEMENT OF PURPOSE FOR MODIFICATION TO TITLE 67 CHAPTER 71 RECREATIONAL ACTIVITIES SECTION 37-71 XX IDAHO CODE

The purpose of the modification of this section of the Idaho Code is to provide for the inclusion of recreational livestock conveyances in the types of covered recreational activities.

The rational for the inclusion of these conveyances is as follows:

- a) At the present time, there is no provision for the inclusion of the livestock usage community in Title 67 Chapter 71.
- b) The necessity for the inclusion of recreational livestock conveyances in this section of the Idaho Code has been recognized by the users of such equipment in the State of Idaho and is endorsed by the Backcountry Horsemen of Idaho, Idaho Horse Council and various other user groups.
- c) The fact that, at the present time, there is little revenue available for the establishment of
- d) recreational livestock trailheads or for the development and maintenance of trails for livestock use is recognized by the Backcountry Horsemen of Idaho, the Idaho Horse Council, and various other user groups.
- e) Therefore, the recreational livestock users community in the State of Idaho has determined that most expeditious means of developing the necessary funds for such a program would be similar to the snowmobile, all-terrain vehicle (ATV) and off-highway motorbike programs now covered in Idaho Code Title 67 Chapter 71.

The Backcountry Horsemen of Idaho, the Idaho Horse Council and various other user groups are satisfied that the State of Idaho Department of Parks and Recreation would be the best agency to administer the new program.

FISCAL IMPACT

The fiscal impact will be the initial start up costs for publicity/brochures, computer programming, vendor manual printing and website development. The department would expect an estimated initial start up cost of \$50,000 to \$75,000 per year for at least two years. After a couple of years when the program is of substantial size (20,000 to 30,000 conveyances) the 20% administrative cost should be able to cover all necessary expenses the department incurs to operate the program. Annual costs will include annual sticker purchase, permit processing, computer support, grant administration, advisory board expenses, brochures and their distribution and web site maintenance.

Wendy,

The costs projected are just an estimate. It is based on real costs we incurred for the invasive species sticker program we implemented this spring. It is not the same program but the expenses will be similar but spread out over a longer period (2 years versus 6 months).

- Annual sticker purchase.	\$22,000.00/yr
- Permit processing, vendor manual printing and mailings.	\$8,000.00
- Computer support and programming changes to accommodate the new program.	\$10,000.00
- Grant administration: creation of a new rules and regulations and approval of IDAPA rules.	\$6,000.00
- Advisory board expenses, travel, per diem	\$3,000.00
- Promotional brochures development, printing and their distribution.	\$10,000.00
- Web site maintenance, adding new program web pages and update other web pages.	\$8,000.00

A person to promote and coordinate program. This person would travel across the state promoting the program through PSA's and a variety of other methods to educate the public and law enforcement. This person would also work with the advisory board, IDPR grant staff and the public to improve the program as it grows. This person will be the existing non-motorized trails program coordinator if the position still exists next year. At present this position is general funded so there would be no cost to the program but this position may be eliminated due to budget cuts so you may want to plan to work in program staff costs.
