PANHANDLE BACK COUNTRY HORSEMEN GENERAL MEETING – SEPTEMBER 19, 2009 MINUTES

President Perry Saathoff called the meeting to order at 7:32 pm

Debbie Samovar read the August minutes. Bob Williams made a correction of the “decided” to “recommended” that we give \$1000 to the State and National funds. Minutes were accepted as corrected.

Perry Saathoff gave the treasurer’s report. Bills to be paid - Karen Kimball asked for \$112 for Rider Ranch for the food for the Trail Challenge judges. Marion Crumb made a motion to pay, Bob Williams seconded, motion passed. Karen also gave the Riders a calendar on us.

Perry Saathoff received some e-mails from other groups on their upcoming events. Debbie will send out an e-mail to the membership with the information. Perry also received an e-mail regarding a fee increase for LifeFlight. Due to fuel costs it is going from \$5.50 per person to \$35 for an individual or family membership. We need to let the state know if our members would still be interested in LifeFlight at this price. Members present at meeting were asked to indicate on the sign in sheet if they were interested and Debbie would e-mail the rest of the membership their interest.

TRAIL CHALLENGE - Karen Kimball reported that last year we had 36 riders, this year we had 37 riders with 39 horses covering the course. Karen thanked everyone for helping out on this event. The riders left the parking area clean and we received lots of compliments on how good the event was. The compass test threw most of the riders and quite a few failed to stop at the physical check point. Suggested that next time we have a “Must Stop” sign and to let riders know that they are to cover the course individually and will be deducted points for grouping. There was one stud on the course, which no one knew about, so we’ll need to specify No Studs next time.

ESQUIRE RANCH WORK PROJECT - Bob Williams asked those going to bring rakes, shovels, electric hammer and to wear appropriate clothing for working. The BLM would be providing lunch. With 19 sectors of land, this is a great place to ride; you can get in as early as February. We should see about doing a combine ride with other groups. Bob is also going to talk to the BLM about signs at the turns. It was reported that the BLM now charges \$1200 to groups who use the facility for hunts and poker rides.

MARIE CREEK – Jim Kimball, Gene Bruce and Perry Saathoff cut out several logs. The Knapp weed was really bad, but it’s too late in the year to do anything about it, so we’ll need to work with the FS to get in early next year, as they have to mix the spray. One of our spray units has been modified for 2 hoses.

We’re also going to talk with the Fernan and CDL districts to see if we can spray for them and earn some money. Karen Kimball got a call from Bonnie Thompson to spread 400# of manure in the meadow by Marie Creek the last week of September. They just need another mule for packing and they have the whirly bird for spreading. Fertilizing cuts down on weeds. Additionally, Karen but a bug in Bonnie’s ear about us doing more spraying projects for money. Also we should receive over \$1000 for our work at Red Ives.

David Rousher will get info on CD rates for the October BoD’s meeting.

Bob Williams brought up a discussion on the donations to the State and National funds and made a motion to up the amounts to \$1500 for the State Legal Fund and \$1500 to the National General fund, and to let them each know that this is a one time gift. Jerry Shriner 2nd, motion passed.

Oct 3rd is the Linscott Steak Ride. You need to RSVP. Even if you don’t ride, come out for the great food.

The Christmas Party is on the 5th, not the 12th as list in the newsletter. Angela Parson is the Trail Boss and will get info to Debbie for the newsletter.

NOMINATION COMMITTEE – Bob Williams will head up and Karen Kimball and Marilyn Rousher will help. Debbie has agreed to be secretary again. We need people to fill the following positions: President, Vice President, Treasurer, 2 Board members, 2 State Board members, Public Relations and 501(c)3 (attend 1 meeting at convention).

STATE CONVENTION – Is Nov 13 & 14, the Kimballs are going and if you wish to go you can ride with them.

If anyone wants to acquaint their horse to a llama, you can contact Marion Crumb at 208-772-2763.

Karen Kimball asked that we send a Thank You card to the Riders for the help on the Trail Challenge.

RAFFLE – The Bev Doolittle print was on display. Tickets are \$1 ea or 6/\$5. The raffle will take place at the Christmas Party.

CALENDARS – Are available, \$20 each, can win a \$6,000 Cabala’s gift card or \$6,000 of fencing or half-n-half.

Bob Williams made a motion to adjourn, 2nd by Jim Kimball, meeting adjourned at 8:30

Respectfully Submitted,
Deborah Samovar

Linscott Steak Ride

The ride went great! We had 12 riders. The horses were frisky in the morning due to the cool fall weather. The rain held off and the sun even came out for the end of the ride and the steak dinner. It was a good time, with good company. We even made \$50 for the club. ~April Linscott, Trail Boss

WANTED

A little pony or mini donkey that might need a home? I would like to "rescue" a pasture pal for my horse. Something that eats LESS than a full size horse and can be easily cared for. I take excellent care of my animals, regular worming, trimming or shoes, proper diet, water etc. I just sold my other horse recently and need a companion for Sonny. I am only looking for a little "critter".
