AUGUST

Assateague Island National Seashore

National Park Service est. Aug 1916

From the President's Saddlebag

Hi All,

July turned out to be Spring this year. But, we were able to get in some work, like spraying Marie Creek and having a ride there.

All of our planned work parties were accomplished. Hitch rails set at English Point, a motorcycle gate on Canfield Mountain, trails cleared at 4th of July Pass and a ride there. Then the July meeting pot luck and a three day outing at Red Ives with two trails cleared and 20 bales of hay moved up trail for the trail crew. There was good food and great breakfasts on Saturday and Sunday.

July is about gone but the summer is getting better and there is still a lot of time to get in some riding. Remember to call other members or e-mail Debbie if you have a ride in mind and can work it in. It is always more fun to ride with a few others.

Remember to get going on the fund raiser jobs if you volunteered for one.

PANHANDLE BACK COUNTRY HORSEMEN MAY 21, 2011 MINUTES

Prior to the meeting we held our annual pot luck in the park. All the dishes were fantastic, plus we had cake as it was Al Linscott's birthday.

President Bob Williams called the meeting to order at 7:32PM

Guests: Brenda Hamburg, Scott Neene and New Members Debbie and Dick Mott

June minutes were read and are now part of the record.

BUMPER STICKERS - Debbie Samovar passed around a sample of a custom bumper sticker. The cost of material and laser printing makes them 65¢ each. Karen Kimball suggested that we get 100, Gene Bruce so motioned, Diane Shriner 2nd, motion passed. Car magnets were discussed. Robert Wuest made a motion that we purchase 20 - 12 x 9 magnets at a cost of \$3.13, Gene Bruce 2nd, motion passed.

RED IVES - The FS will be providing breakfast on Saturday and the chapter will be doing breakfast on Sunday.

MARIAN CRUMB FUND RAISER - Alan Harper and Zack Banes bought a \$600 rifle with scope for \$400 for the auction. The Board of Directors paid them \$300 then realized that they needed approval. Gene Bruce so motioned, Lea Williams 2nd, motion passed. The rifle went for \$1600.

FUNDRAISER - Karen Kimball checked with Monogram Plus for T-Shirts for the workers, cost is \$8.00 and the chapter is hoping that everyone will pay for their own. Gene Bruce motioned we get the T-shirts, Marilyn Rousher 2nd, motion passed. A sign up sheet was passed around for everyone to list their sizes. An e-mail will also go out to the rest of the members to see if they would like one. Need sizes by the August meeting. We also need someone to demonstrate manny and diamond hitches at the fund raiser and in October at the Luther Haven demo. Karen will also get a list of workers.

Lea Williams we still need items for the silent auction. If you get any donations get 2 business cards - one for the basket and one for the newsletter. Need everything by the August meeting. We have a Horse 1st Aid basket from Ashlin Finch, a \$25 gift certificate from Indiana Harness and a 1 troy oz silver coin from Wells Fargo.

HAYBURN PARK - Lea Williams' Mustang Club rode at the park. They had 18 riders. Don West, the new Park Ranger, is a horse person. He's put up new hitches at Indian Cliff and is talking about making trails across the highway. Linda Wuest and Wendy Ward rode there last weekend and said Don is making an area for horse camping only. Wendy is going to invite him to our next meeting. State parking stickers for the day are \$5.00, camping is \$10.00.

Bob Williams received an e-mail saying that with budget cuts the only way we are going to get trails maintained is through public/private contracts with the government.

2012 CALENDARS - are here. Linda Funke will oversee the distribution/payments. We have 200 and they are \$20 again of which the chapter will get back 10%. We had ten 2011 calendars left and sent the cards in under our name. Bob Williams suggested that we give one to each state representative; Karen Kimball said that Phil Ryan, a past state chairman goes and hands them out to each person.

EVENTS - Dates and Trail Bosses have been set for the following:

Oct 5th - Lutheran Haven Packing Demo - Bob Williams, needs helpers

Tom McColly won the drawing for the Progressive Pot.

There were 29 members present.

Meeting adjourned at 8:32

Respectfully Submitted, Deborah Samovar

C MARIE CREEK WEED SPRAYING PROJECT

We finally made it without rain on July 15th. Bob Williams, Jamie Smith and myself along with Bonnie Thompson of the Forest Service. Jim Kimball came up and got the sprayers all hooked up for us and ready to go and we did the Ridge Trail. Bonnie mixed the spray and walked behind the horse and sprayed. Bob's pack horse carried the extra water and spray, which we didn't need to use. We must be getting ahead of the weeds as there were fewer of them this year and it took less spray. We just have to go back and do the backpack spraying on the lower trails.

C CANFIELD MTN. FUN RIDE

There were 7 of us on the July 16th ride. Three were new people - Debbie Mott, Scott Bengfort and Patti Mitchell, plus Linda Funke, Jamie Smith, Angie Parsons and myself. We saddled up at Dalton Arena then started up the trail and road to the very top of Canfield Mt. on the Bud Howard trail. When we got to the horse gate that we put in to stop motorcycles all the horses went over, except Jamie had a little trouble with 3 yr old but we all made it. We had lunch at the top by the towers and enjoyed the view of the lakes. Then headed down and made it back to the trailers close to 3:00. Was nice company and a good ride.

ST JOE WORK PROJECT AT RED IVES

We had 14 people on work party. Jerry Shriner's group of 5 did the hay hauling and the rest of us were on trail clearing. I got a call from Tim Riems who is a member of a Washington Chapter and the Priest River Chapter. He said some of their projects had been cancelled because of snow pack and wanted to join us to ride and help out. He and his wife Cindy showed up on Thursday with the rest of us. Cindy couldn't ride much because of an injury, but she sure can cook. She made a pot of beans one night and chili the next. Tim was a big help on the trails, cutting and clearing logs along with Jim Kimball and Bill Clarke.

Kay Bradley, Linda Funke, Angie Parsons and I used our loppers and did some brushing. We cleared Copper Ridge trail on Friday and most of Trail 74 going to Simmons Ridge on Saturday. There were lots of trees down on 74 and it kept the chainsaws heated up. About 4:00 we decide to head back down the trail. We did a little more brushing on the way back and got back to camp around 7:00. Everyone was waiting to start the potluck, which is always great food. Wayne Parsons makes a wonder stew with garden vegetables. He made some for all of us.

Some of the FS crew joined us and we had a good time around the camp fire telling stories. Not sure if they were all true. Traci Gravelle of the FS made breakfast on Saturday morning with the help of Jim. Jim and Linda Funke were also a big help cooking on Sunday. The chainsaws were working well thanks to Bob Funke.

Jim and I want to thank everyone for all the work you put in on this project. It was a big project; both trail work and hauling hay. ~ Jim and Karen Kimball, Trail Bosses

HAY HAULING AT RED IVES

Take three semi-packers, five pack stock and two helpers and in two days you can move some hay. The Avery Ranger District is undertaking a trail project several miles beyond the end of the road in the St Joe River area. They ask for help staging hay about 5.5 miles up the river; allowing them more resources to move equipment and crew. Bob and Linda Funke, Bob Williams and Jerry and Diane Shriner manteed the bales, with assistance from Mike a FS employee that knows about stock use. Then the FS hauled them to the end of the road. The packers rode two miles from camp to the end of the road then loaded the bales and packed them up river from Spruce Creek. 10 bales on Friday and 10 on Saturday. Bob Funke found out just how good his mule "Newt" is.

The crew enjoyed the work, learned some skills, the FS appreciated the work done and we were back in camp in time for the cocktail hour. You can't beat a couple days like that

MISSION STATEMENT

The Back Country Horsemen is a national organization dedicated to these main objectives:

1. To perpetuate the common sense, use and enjoyment of horses in America's back country and wilderness.
2. To work to insure that public land remains open to recreational stock use.
3. To assist the various government and private agencies in their maintenance and management of said resources.
4. To educate, encourage and solicit active participation in the wise and sustaining use of the back country resources by horsemen and the general public.
5. To foster and encourage the formation of new State Back Country Horsemen organizations.

In meeting the goals of our mission statements, Back Country Horsemen in the state of Idaho have spent thousands of volunteer hours on trails, trail heads, campsite maintenance and construction. We have established education chairs in each chapter in Idaho who work to bring the messages of low impact and "Leave No Trace" techniques to both members and the general public. This fund raiser will help us continue on with this mission.
