Issue No. 6

From the president Karen Kimball

We need to start thinking about some kind of a fundraiser for the chapter this year. Since the U.S. Forest Service isn't paying us much anymore, about half of what they used to because their budget is cut, we have to find other ways to meet our budget. Betsy Walker, Connie Gill, Joni Lueck, Cindi Richardson and Jamie Smith have volunteered to be on a committee to come up with ideas for raising some money. We will be looking for volunteers to help out with the fundraisers.

Farragut work and fun ride weekend May 19th and 20th

Eighteen people came out to work at the Farragut State Park horse area. We had riders go out and work on trails and a group of people stay in camp and work around the horse area. Afterwards BBQ burger lunch. Some people camped over night.

Sunday we started with 14 riders for the fun ride. After a few horses parted out we went for a 2.5 hour ride which was followed by hot dogs for lunch.

Asotin Creek, WA campout and ride Memorial Day weekend

By Karen Kimball

Nine people were at Asotin with eight of us riding. Had rain all night Friday and some on Saturday morning so we didn't go riding until 1:00. Then we rode eleven miles.

Scouted out a new trail which was great. Saw some elk on top. Sunday rode the long loop and in the saddle for about 6 hours. Weather couldn't have been better with blue sky all day. Didn't ride on Monday - just had a large breakfast and packed up. Great weekend.
